

Show Your Support for the Vth IWMC!

The Vth International Wildlife Management Congress (IWMC2015) will be held on **July 26-30, 2015, in Sapporo, Hokkaido, Japan**. The Congress will be held in partnership with **the Mammal Society of Japan (MSJ) and The Wildlife Society (TWS)**. This is the first time this prestigious Congress will be held in Asia. It is going to be an opportunity for wildlife researchers and professionals from around the world to share their expertise and experiences. **It is, however, also an opportunity for supporters of wildlife management, whether you are a supplier or research equipment, an academic publisher or an organization working for wildlife conservation and management, to show what can be offered towards the progress of wildlife science.**

How Can You Support the Vth IWMC?

There are two basic options:

1. Exhibition booth and advertisement in the program booklet: 100,000- JPY per lot

- a booth with a desk (W180 cm x D90 cm) and 2 chairs
- registration of 1 person to the congress
- advertisement in the program booklet, one full page of A4-size (monochrome) (2-ii below)

2. Advertisement in the program booklet

- half page of A4-size (monochrome): 30,000- JPY
- one full page of A4-size (monochrome): 50,000- JPY

Q & A for Supporting the Vth IWMC

Q1: We are coming from outside Japan, and two persons would like to come and hold an exhibition. What can we do? Do we need to pay an extra cost?

A1: The second person can be registered as 'the presenter to an outstanding presentation' in the first lot. We are encouraging the supporters to offer a unique product of their own as an award to a poster presentation. It may be an equipment for field work, a publication or a yearly membership of your organization. The supporters are free to specify a topic or category to give the award to.

Q2: What topics are presented in the Congress and how can we find out more about it?

A2: An outline of the congress is described on the back. Check the website www.iwmc2015.org for the latest information.

Q3: Where and how long can we hold an exhibition booth?

A3: The exhibition booths will be allocated in either the drink corner or the foyer where lots of people pass by. The booth set-up will be the afternoon of July 26 and the removal the afternoon of July 30.

Q4: Can we have more than a desk and two chairs in a booth?

A4: The optional items can be hired and arranged via the PCO of the Congress. The details will be given in May 2015.

Q5: How can we talk more in details and apply to hold an exhibition booth or publish an advertisement?

A5: Please contact the IWMC2015 Secretariat (see the back) and tell us what you would like to do to support the congress. The application form will be sent in return, and it needs to be submitted by Tuesday March 31, 2015.

The Vth International Wildlife Management Congress hosted
by The Mammal Society of Japan and The Wildlife Society

Outline of the Vth International Wildlife Management Congress

Date: Sunday July 26 – Thursday July 30, 2015
